

Seminars & Publications

Seminars from Speer HoytWe offer seminars on collaboration issues, and for municipalities and businesses. We also offer seminars on computer/internet issues, intellectual property issues, as well as estate planning and probate-avoiding trusts. Any of these topics can be designed as a workshop (10-20 people), training (20+ people) or as a keynote address. Personalized training can be arranged for your particular group. Seminars

Publications

Publications will be listed soon.
